- (4) Where an applicant's knowledge of the Biochar Production Systems resolution is relevant to his or her application to be registered, the an applicant must demonstrate knowledge of the Biochar Production Systems resolution specified under Items 6 and 7 of [subsection 7\(2\)](#) by providing a statement that:

- (a) sets out the details of how the knowledge of the Biochar Production Systems resolution was obtained, including, if relevant, details of the following training in the Biochar Production Systems resolution.
- (b) set out any other information that the applicant thinks is relevant to demonstrate the applicant's knowledge of the Biochar Production Systems resolution.

Note: If an applicant does not intend to carry out audits under the Standard resolution or the Biochar Production Systems resolution, this must be stated in their application and the Working Body may impose a condition on the auditor's registration under Subdivision 6.67 of the GHGR Rules.

9. Knowledge of audit—External applicants

- (1) For subsections 6.15 (1) and (2) of the GHGR Rules, an applicant must demonstrate knowledge of audit by providing a written statement consisting of 750 words or less stating:
 - (a) the name of any relevant training course they have completed;
 - (b) the institution where the training course was completed; and
 - (c) the name of the qualification (if any) they have attained.
- (2) For subsection 6.15 (4)(a), to demonstrate knowledge and experience, an applicant must have participated in 10 audits over a period of 5 years in:
 - (a) the specified audits; or
 - (b) agreed-upon procedures relating to greenhouse and energy information carried out in accordance with SSRS 4400;
 - (c) an audit conducted in accordance with:
 - (i) EN ISO 19011; or
 - (ii) ISO 19011:2018
 - (d) an audit conducted for a person that was a liable entity, or for the purposes of section 74.B of the GHGR Standard;
 - (e) an audit or verification of an offsets project recognised under the BCOS.

Note: Under subsection 6.15 (5) of the GHGR Rules, the participation must have occurred in the 5 years immediately preceding the day the application is made.

10. Knowledge of audit team leadership and assurance, External applicants

Knowledge of audit team leadership and assurance

- (1) For subsection 6.16 (1) of the GHGR Rules, an applicant has knowledge of audit team leadership and assurance if he or she:
 - (a) is registered auditor of a capital verification body, as required under the Company Law; or
 - (b) has successfully completed a training course:
 - (i) in audit and assurance, delivered by the Association of Chartered Certified Accountants in the Graduate Diploma of Chartered Accounting, or another member of the Global Accounting Alliance in an equivalent program;
 - (ii) in advanced audit and assurance, delivered by Certified Public Accountants in the CPA Program; or
 - (iii) in advanced audit and assurance, delivered by the Institute of Public Accountants in the IPA Program; or
 - (c) can demonstrate both
 - (i) knowledge of audit team leadership in accordance with subsection (2); and
 - (ii) knowledge of assurance in accordance with subsection (3); or

- (d) provides evidence that satisfies the Working Body of the applicant's knowledge of audit team leadership and assurance.

Knowledge of audit team leadership

- (2) For the purposes of paragraph (1)(c)(i), an applicant has knowledge of audit team leadership if he or she:
 - (a) is certified by a qualified body as a Lead Environmental Auditor or a Business Improvement Environmental Auditor under EN ISO 19011; or
 - (b) has successfully completed a training course in leading assurance engagements in accordance with EN ISO 19011 or ISO 19011:2018, delivered by a competent training provider.

Knowledge of assurance

- (3) For the purposes of paragraph (1)(c)(ii), an applicant shall be taken to have knowledge of assurance if the applicant has successfully completed any of the following:
 - (a) a training course in conducting assurance engagements in accordance with ISAE (UK) 3000 or ISAE 3000, delivered by a competent training provider; or
 - (b) a training course in conducting compliance engagements in accordance with SAE 3100, delivered by a competent training provider; or
 - (c) any of the following courses conducted by The Institute of Chartered Accountants in Australia:
 - (i) audit and Assurance in the CA Program;
 - (ii) financial Reporting and Assurance in the CA Program;
 - (iii) accounting 2 in the Professional Year Program;
 - (iv) audit and EDP Module in the Professional Year Program; or
 - (d) any of the following courses conducted by CPA Australia in the CPA Program:
 - (i) assurance Services and Auditing;
 - (ii) advanced Audit and Assurance; or
 - (e) any of the following courses conducted by, or on behalf of, the National Institute of Accountants:
 - (i) issues in Auditing and Professional Practice in the Graduate Certificate in Professional Accounting, offered by the University of New England in conjunction with the National Institute of Accountants;
 - (ii) issues in Auditing and Professional Practice in the Degree of Master of Commerce (Professional Accounting), offered by the University of New England in conjunction with the National Institute of Accountants.
- (4) For the purposes of paragraph (1)(d), if an applicant has successfully completed any other training or tertiary education in audit and assurance that the applicant considers relevant to the application, the Working Body will determine if that training or education is appropriate in demonstrating knowledge of assurance.

Note: Under subsection 6.16 (1) of the GHGR Rules, an applicant for registration as a Category B auditor must have knowledge of both audit team leadership and assurance.

- (5) In this section:

Association of Chartered Certified Accountants means the Certified Public Accountants Limited (Company number 07622364).

Certified Public Accountants means the only body authorised by law to register and grant practising certificates.

CPA Program means a Certified Public Accountants-administered program that leads to certification as a Certified Practising Accountant.

Global Accounting Alliance means the company of that name registered in England and Wales (Company Number 6754644).

Institute of Public Accountants means The Institute of Public Accountants Ltd (Australia Business Number 81 004 130 643).

IPA Program means the IPA Program, administered by the Institute of Public Accountants, that results in the awarding of an Master of Business Administration from Deakin University.

qualified body means a body that is accredited in accordance with ISO/IEC 17024:2012.

11. Auditing experience GHGR Rules for applicants for External registration—auditing and preparing audit reports

- (1) For subsections 6.20.(1) and (2) of the GHGR Rules, an applicant must have obtained at least 1,000 individual hours experience in total as an audit team leader or a professional member of an audit team in auditing and preparing audit reports in five or more of the following kinds of audits:

- (a) the specified audits; or
- (b) an audit of an offsets project recognised under the BCOS.

Note: Under subsection 6.20.(2) of the GHGR Rules, the applicant must have obtained the appropriate kind, and the appropriate period, of experience of auditing and preparing audit reports during the five years immediately preceding the day the application is made.

- (2) The audits must be equivalent to assurance engagements.

12. Auditing experience GHGR Rules for applicants for External registration—audit team leadership

For subsection 6.20.(2) of the GHGR Rules, an applicant meets the GHGR Rules for audit team leadership if:

- (a) The applicant has obtained at least 700 individual hours experience as an audit team leader of an audit team that has three or more other members in at least one of:
 - (i) the specified audits;
 - (ii) agreed-upon procedures relating to greenhouse and energy information carried out in accordance with SSRS 4400;
 - (iii) an audit conducted in accordance with ISO 19011:2018; or
- (b) The applicant has obtained at least 700 individual hours experience as a Supervisor. For the purpose of this subsection, the Working Body may recognise an applicant's experience as a Supervisor where
 - (i) the applicant has been a Supervisor of:
 - (A) an audit team for more than one Part 6 audit or alternative audit, and
 - (B) an audit team consisting of three or more other members, and
 - (C) an audit led by a registered Category B team leader, and
 - (ii) the Category B team leader, for each audit, has provided referee reports which confirm that the applicant was the Supervisor of the audit team that conducted the audit; or
- (c) The applicant has obtained a combined total of at least 700 individual hours experience as:
 - (i) an audit team leader of an audit team that has three or more other members in at least one of the kinds of audits listed under paragraph (b) above; and
 - (ii) a Supervisor whose experience has been recognised by the Working Body pursuant to paragraph (c) above.

- Note 1:** Under subsection 6.20.(2) of the GHGR Rules, the applicant must have obtained the appropriate kind, and the appropriate period, of experience of auditing and preparing audit reports during the five years immediately preceding the day the application is made.
- Note 2:** 'Individual hours' only includes hours of experience of the individual auditor. It does not include, for example, hours of experience of a team member of the individual auditor.
